10 Dear Joan T. Agnew:
11

12 This is a request under the Freedom of Information Act.
13

14 I hereby request the time stamp logs of the Election Results Data:
15 the hour, minute and second of all the in-election data by precinct
16 entered into the Central Tabulator for the purposes of computing the
17 unofficial election results and the official election results of the
18 March 20, 2018 General Primary Election that is required as specified
19 in the 2002 Voting System Standards Vol 1 to be maintained for the
20 purpose of "verifying the correctness of reported election results.
21 [Sec: 2.2.5.1]" as I will be using a statistical model to test
22 admissibility of such methods to the in-election time stamp data.
23 Furthermore "The timing and sequence of audit record entries is as important
24 as the data contained in the record. All voting systems shall meet the
25 following requirements for the time, sequence and preservation of the
26 audit records...[Sec: 2.2.5.2.1 of Operational Requirements]"
27

28 In order to help determine my status to waive fees, you should know that:
29

30 * I am an individual seeking information for investigative use and is not for
31 commercial use but is intended to be in the public interest.
32
